CHEAP DAIRY FEED. We are offering baled COTTON-SEED HULLS at 3714c. per 100 pounds. Experience has proved it to be the cheapest and best dairy feed. Read nent dairymen :

the following letter from one of our most promi-

nent dairymen:

GENTLEMEN,—In reply to your inquiry in regard to the feeding value of Cotton-Seed Hulls,
I am pleased to say that I used them exclusively last winter and apring in the place of the usual rough tood—clover, hay, &c.—feeding thirty dairy cows with satisfactory results, my cattle keeping in better condition, with an increased flow of milk. My cows never did better on any feed. Yours respectfully.
